

April 2025

# Tudor Lodge Times

## Welcome to our April 2025 edition

As summer fast approaches, our residents have been having great fun at Tudor Lodge - whether it be basking in the spring sun in the garden, getting a fresh cut or tucking into their Easter chocolate, everyone's been up to something!

## IN THIS ISSUE

Easter Eggs,  
Fresh Barnets,  
Amazing Dance Moves,  
Staff Highlights,  
**And Plenty Of Awful Puns!**

# Tudor's Garden Stuns in the Sunshine!

Everyone's been busy getting the garden ready for the summer season, including Ann - here she is making sure our flowers are up to the right standard!

To the right, you can look at just some of the beautiful flowers we have in our garden!

# Tudor's Garden

# Jim's Fresh Trim

One day, on an overcast morning in early April, Kiran, one of our carers, wheeled much-loved resident Jim round to the back office to say hi to Lalitha, Operations Manager, and Crede, the company's creative jack-of-all-trades.

After a catch-up and a cheeky cup of cola, one thing was universally agreed on across the room - Jim, while looking stunning, could've done with a haircut!

After paying his farewells to the back office team, Kiran wheeled Jim round to one of the many barber shops on Sandgate Road, where he was treated to a shape-up round the sides and a few inches off-top.

He came out of the barber shop feeling absolutely delighted with his barnet, and ready to shock the back-office team with his transformation!

# A Cut Above The Rest

It's not just Jim that's been in the barber's chair recently - some of our lovely ladies were visited by our specialist hairdresser and treated to the full works!

We think the smiles say it all - they look absolutely chuffed with their cuts!

# A Hoppy Easter

Shares in Cadbury increased tenfold as everyone at Tudor gathered to celebrate the Easter weekend!

Plenty of easter eggs and cups of tea were handed out to both our residents and our visitors, and a few of our clients chose to show off their very own Easter arts and crafts made in the lead-up to the big weekend!

Thank you to everyone who popped in to help make the occasion as special as it was.

# Live Tunes at Tudor Lodge

## Barry Goss Returns!

Barry Goss, a regular visitor of our home, recently joined our residents to fill our communal area with the sweet, sweet sound of music!

He never fails to get our residents clapping and dancing to a medley of rock-and-roll songs - even the carers can't resist bopping along!

All of our residents look forward to Barry's next visit, but the music never stops in Tudor Lodge...

# Ryan Gosling, Watch Out!

Another one of our residents, Philip, has been busy working on some of his own moves!

Dancing to *Barbie Girl* by Aqua, Philip effortlessly glides across the floor of the communal area - we reckon he should play Ken in the next Barbie movie!

To watch Philip's amazing dancing on our Facebook page, scan or tap the QR code below!

## BBQ-dor Lodge

The 1st of May marked a momentous occasion at Tudor - the first barbecue of the year!

Everyone gathered in our garden to top up on their Vitamin D, take a look at some of the lovely new flowers, and chow down on a burger!
