A MESSAGE FROM US

This edition of Tudor Lodge Times is full of staff and resident highlights, important dates for your diary, and a throwback or two!

Fresh Haircut Day

Our residents have recently enjoyed some well-deserved pampering with fresh trims, helping everyone feel comfortable, refreshed, and look their very best!

There's something genuinely uplifting about a good haircut. It's one of those small but meaningful things that can brighten a person's whole day,

and seeing so many familiar faces with a new spring in their step has been a real joy for staff and residents alike.

A massive thank you to the team at Elderly HairCare for doing such a fantastic job.

Staff BBQ

Tudor Lodge recently enjoyed a brilliant staff BBQ, bringing Team Tudor together for an afternoon of good food, sunshine and well-earned time to relax. With the weather on our side, it was the perfect opportunity to step outside, unwind and enjoy each other's company away from the usual day-to-day routine.

One of the highlights of the BBQ was the variety of food on offer, with staff sharing dishes inspired by their own cultures and traditions. It was a lovely chance to celebrate Team Tudor, recognise the hard work everyone puts in every day, and enjoy being together.

A Footy Throwback

We've dug through the archives and found some photos from the 2024 Euros final!

It's hard to believe it was almost two years ago that football fever swept through the home. Whether you were a lifelong fan or just swept up in the excitement, seeing England so close to bringing it home was just thrilling.

We hope we can recreate some of these memories when the World Cup starts this summer!

ENGLAND'S FIRST MATCH

17th June 2026 @ 21:00

The finals were a great opportunity to kick back, relax, and calm some of the nerves with a beer.
