- Cuddly Corner
- Heavy Riffs
- Dance Moves

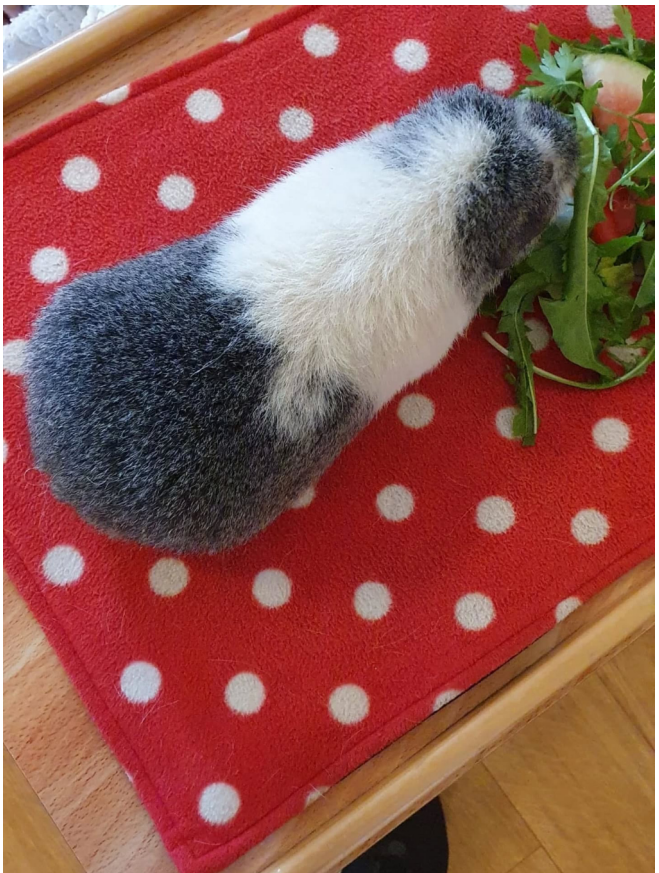

*...and so much more!*

### A MESSAGE FROM US

We've had some stunning weather in our little slice of Whitfield this month - the perfect backdrop for all the antics at Whitfield Residential Home!

## Cuddly Corner

A new month means a new **double** spread of wholesome guinea pig moments!

The pigs from Cuddly Cavies came out in full force this month, providing our residents with a steady stream of bonus serotonin.

## Barry Goss Is Back!

Barry Goss paid a visit this month to play some rock 'n' roll tunes for our residents. He certainly woke us all up ready for the day with his electric guitar!

Barry is a regular performer at Whitfield, and has a knack for getting our residents clapping & dancing along.

You can watch our residents catch a vibe to Barry's playing on our Facebook page below:

## Great Whitfield Bake Off!

This month, our residents proved you don't need to have an oversized tent full of celebrities to make some delicious treats!

Residents at Whitfield recently enjoyed a fun afternoon making Rice Krispie treats together. With sugary aromas plenty of laughter in the air, everyone joined in to stir,

press, and shape the classic snack (while also pinching a Rice Krispie or two to have on the side!)

The treats were absolutely devoured by everyone - and our residents can't wait to make another batch to share!

# Afternoon Tea Antics!

While on the topic of sweet treats, our residents also gathered for a massive afternoon tea party - with more sweet treats, sandwiches and scotch eggs than you could ever imagine!

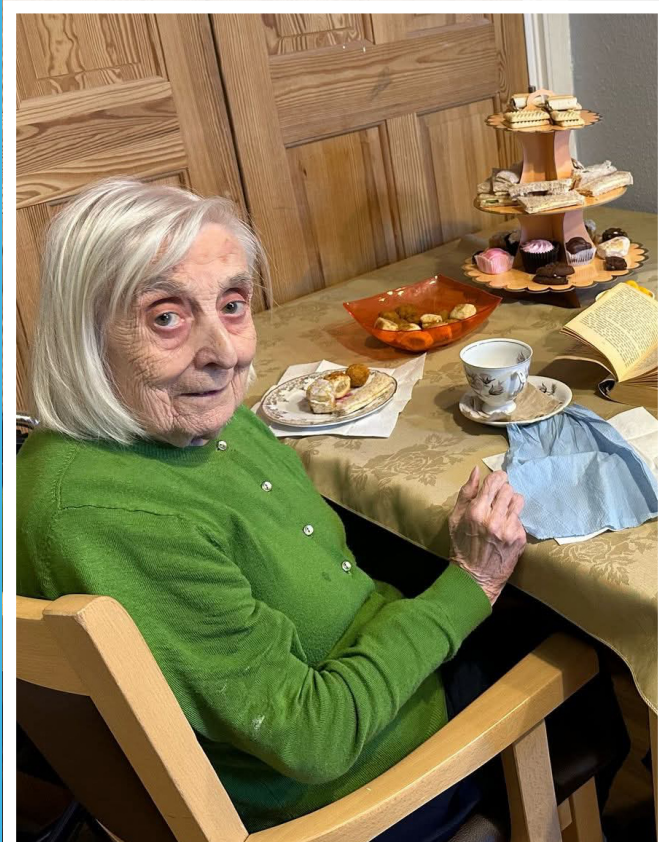

The tables were set with china, cakes, and plenty of cups of tea, creating a lovely atmosphere for everyone to enjoy. Some of our residents were joined by family and friends, really making this an event for our whole little community at Whitfield.

*Caught mid-bite!*

*Sweet treats & sarnies stacked high!*

*Top-ups all round!*

## Pickles Stops By!

Whitfield just can't get enough friendly, furry visitors - one of our staff members brought in their four-legged friend, Pickles, to say hello!
