A Tudor Lodge Christmas

The room was absolutely bustling, filled with festive cheer!

When the music starts pumping and the lights are aglow, nobody hits the floor quite like Tracy O!

Time for a quick photo before getting back to dancing!

Is Scott just passionate or is he doing his best Usain Bolt impression?

Striking a pose for the camera!

Tudor Lodge was host to the biggest, brightest Christmas party in Folkestone this year!

The atmosphere was absolutely electric, and it was clear that our residents had their dancing shoes on from the very start. There was plenty of festive cheer to go around, and spirits were high - quite literally, with residents enjoying a few glasses of beer and wine to toast the season!

It was lovely to see everyone in such a

celebratory mood - the residents loved smiling and posing for the camera, capturing some wonderful memories of the day. Operations Manager, Lalitha Kumar, joined in for some of the festivities and looked on with a smile throughout, enjoying the sea of happy faces and the lively music.

A huge thank you to all the family and friends who popped in to join the occasion, and another big thank you to Scott Jenner from Recollections Entertainment for getting everyone on their feet.

Who knew home manager, John, had such slick moves?

Seth, Tudor Lodge's activities co-ordinator, was the life of the party!

What a wonderful Santa hat!

Staff Christmas Party

Tudor Lodge had plenty to celebrate at the Sai Care Homes Christmas Party on 16th December, with the home proudly taking centre stage during the awards ceremony. Tracy O was honoured as one of the Carers of the Year, Hayley A received Support Worker of the Year, and the entire team was crowned Team of the Year, highlighting their exceptional dedication throughout 2025. Staff enjoyed a festive feast, warm recognition from leadership, and a lively night of dancing - making it a truly memorable occasion for the Tudor Lodge family.

Good Signs!

We're delighted to announce that our dementia-friendly signage rollout is now complete!

The initial pilot must've gone well, as our sister homes are now following in our footsteps!

We'd like to thank our maintenance team for taking the time to get everything installed and up on the walls!

A Kind Donation!

This year, our outdoor Christmas lights brought plenty of festive cheer to Tudor Lodge, and we were especially touched by the reaction from the service users at The Life Skills Centre Folkestone. They were amazed by the display while walking past and decided to contribute their own creations to add to the magic.

We'd like to send a massive thank you to the talented service users at the centre for the wonderful handmade decorations they created for us. Their thoughtful contributions added a personal, heartfelt touch to our festive display and helped spread joy throughout our community!
