Tudor Time-warp

Our historic building's been on the map for quite some time now!

We love our building's heritage, but we're even more proud of what's inside: state-of-the-art care and a forward-thinking team.

A Whole Lotta Love

Love was in the air at Tudor Lodge this Valentine's Day! We decorated the home with roses and love hearts, setting the perfect scene for an afternoon of dancing, music and smiles.

We welcomed back Scott Jenner from Recollections (you may remember him from our Christmas party) and as always he didn't disappoint! In no time he had residents clapping, singing and up on their feet. Our residents also spent time writing Valentine's cards to their loved ones, sharing sweet messages and happy memories - a brilliant day all-around.

Hitting the dancefloor!

Everyone in the lounge had their dancing shoes on.

Can you spot the smartly dressed Scott in the very back?

Writing a card for their significant other.
