### A MESSAGE FROM US

Happy new year from Tudor Lodge! Our January edition is not just full of resident highlights and celebrations, but also some worthwhile information.

# Our 2026 Management Team

Going into the new year, we're delighted to confirm our 2026 management structure at Hatfield Lodge:

**John Woodward**  
Registered Manager

John has been Registered Manager at Tudor Lodge since May 2021, and holds a Level 5 Diploma in Leadership and Management in Health and Social Care. His top priority is making sure all residents feel valued and prioritises delivering exceptional care. Outside of work, he enjoys fishing and watching football

**Hayley Atkins**  
Deputy Manager

Hayley joined our team in August 2021 as a deputy manager. She is hard-working and always happy to help others. Hayley welcomes all new staff and residents with a warm approach and shares her knowledge and skills with them. She is a great team player and always makes sure that every resident is happy and well looked after.

**Lalitha Kumar**  
Operations Manager

Lalitha, our current Operations Manager, has also taken up the role of Registered Manager at Hatfield Lodge. A Sai Care Homes veteran who's been with the company since its formation, Lalitha has over twenty years of care management experience. When she's not managing Hatfield or helping out at our sister homes, Lalitha loves spending time with family.

# Wider Management Team

You can often find these faces in and around Hatfield Lodge, helping make sure the home runs smoothly:

**Kanagaratnam Rajaseelan**  
Founder & Director

Kanagratnam Rajaseelan, known to many as Seelan, is the founder of Sai Care Homes. Coming from a family lineage of experts in care, and with over twenty years of leadership experience in the care sector, he has built a reputation of unparalleled quality and compassion.

**Madjid Maalem**  
Maintenance Manager

Tudor Lodge's maintenance man, Madjid, is always at hand to resolve any issues that pop up with our grand, but aging, building. On top of carrying out maintenance duties, Madjid is also responsible for summoning, and assisting, essential contractors.

**Crede Dalton**  
Head of Marketing

Lovingly referred to most of the time as 'that git with the camera', Crede leads Tudor Lodge's marketing and communications. A content creator with accreditation from University of the Arts London, Crede creates & promotes everything from our Facebook posts to our newsletters. Most of the time, he's clacking away on the keyboard in back office eating Hobnobs.

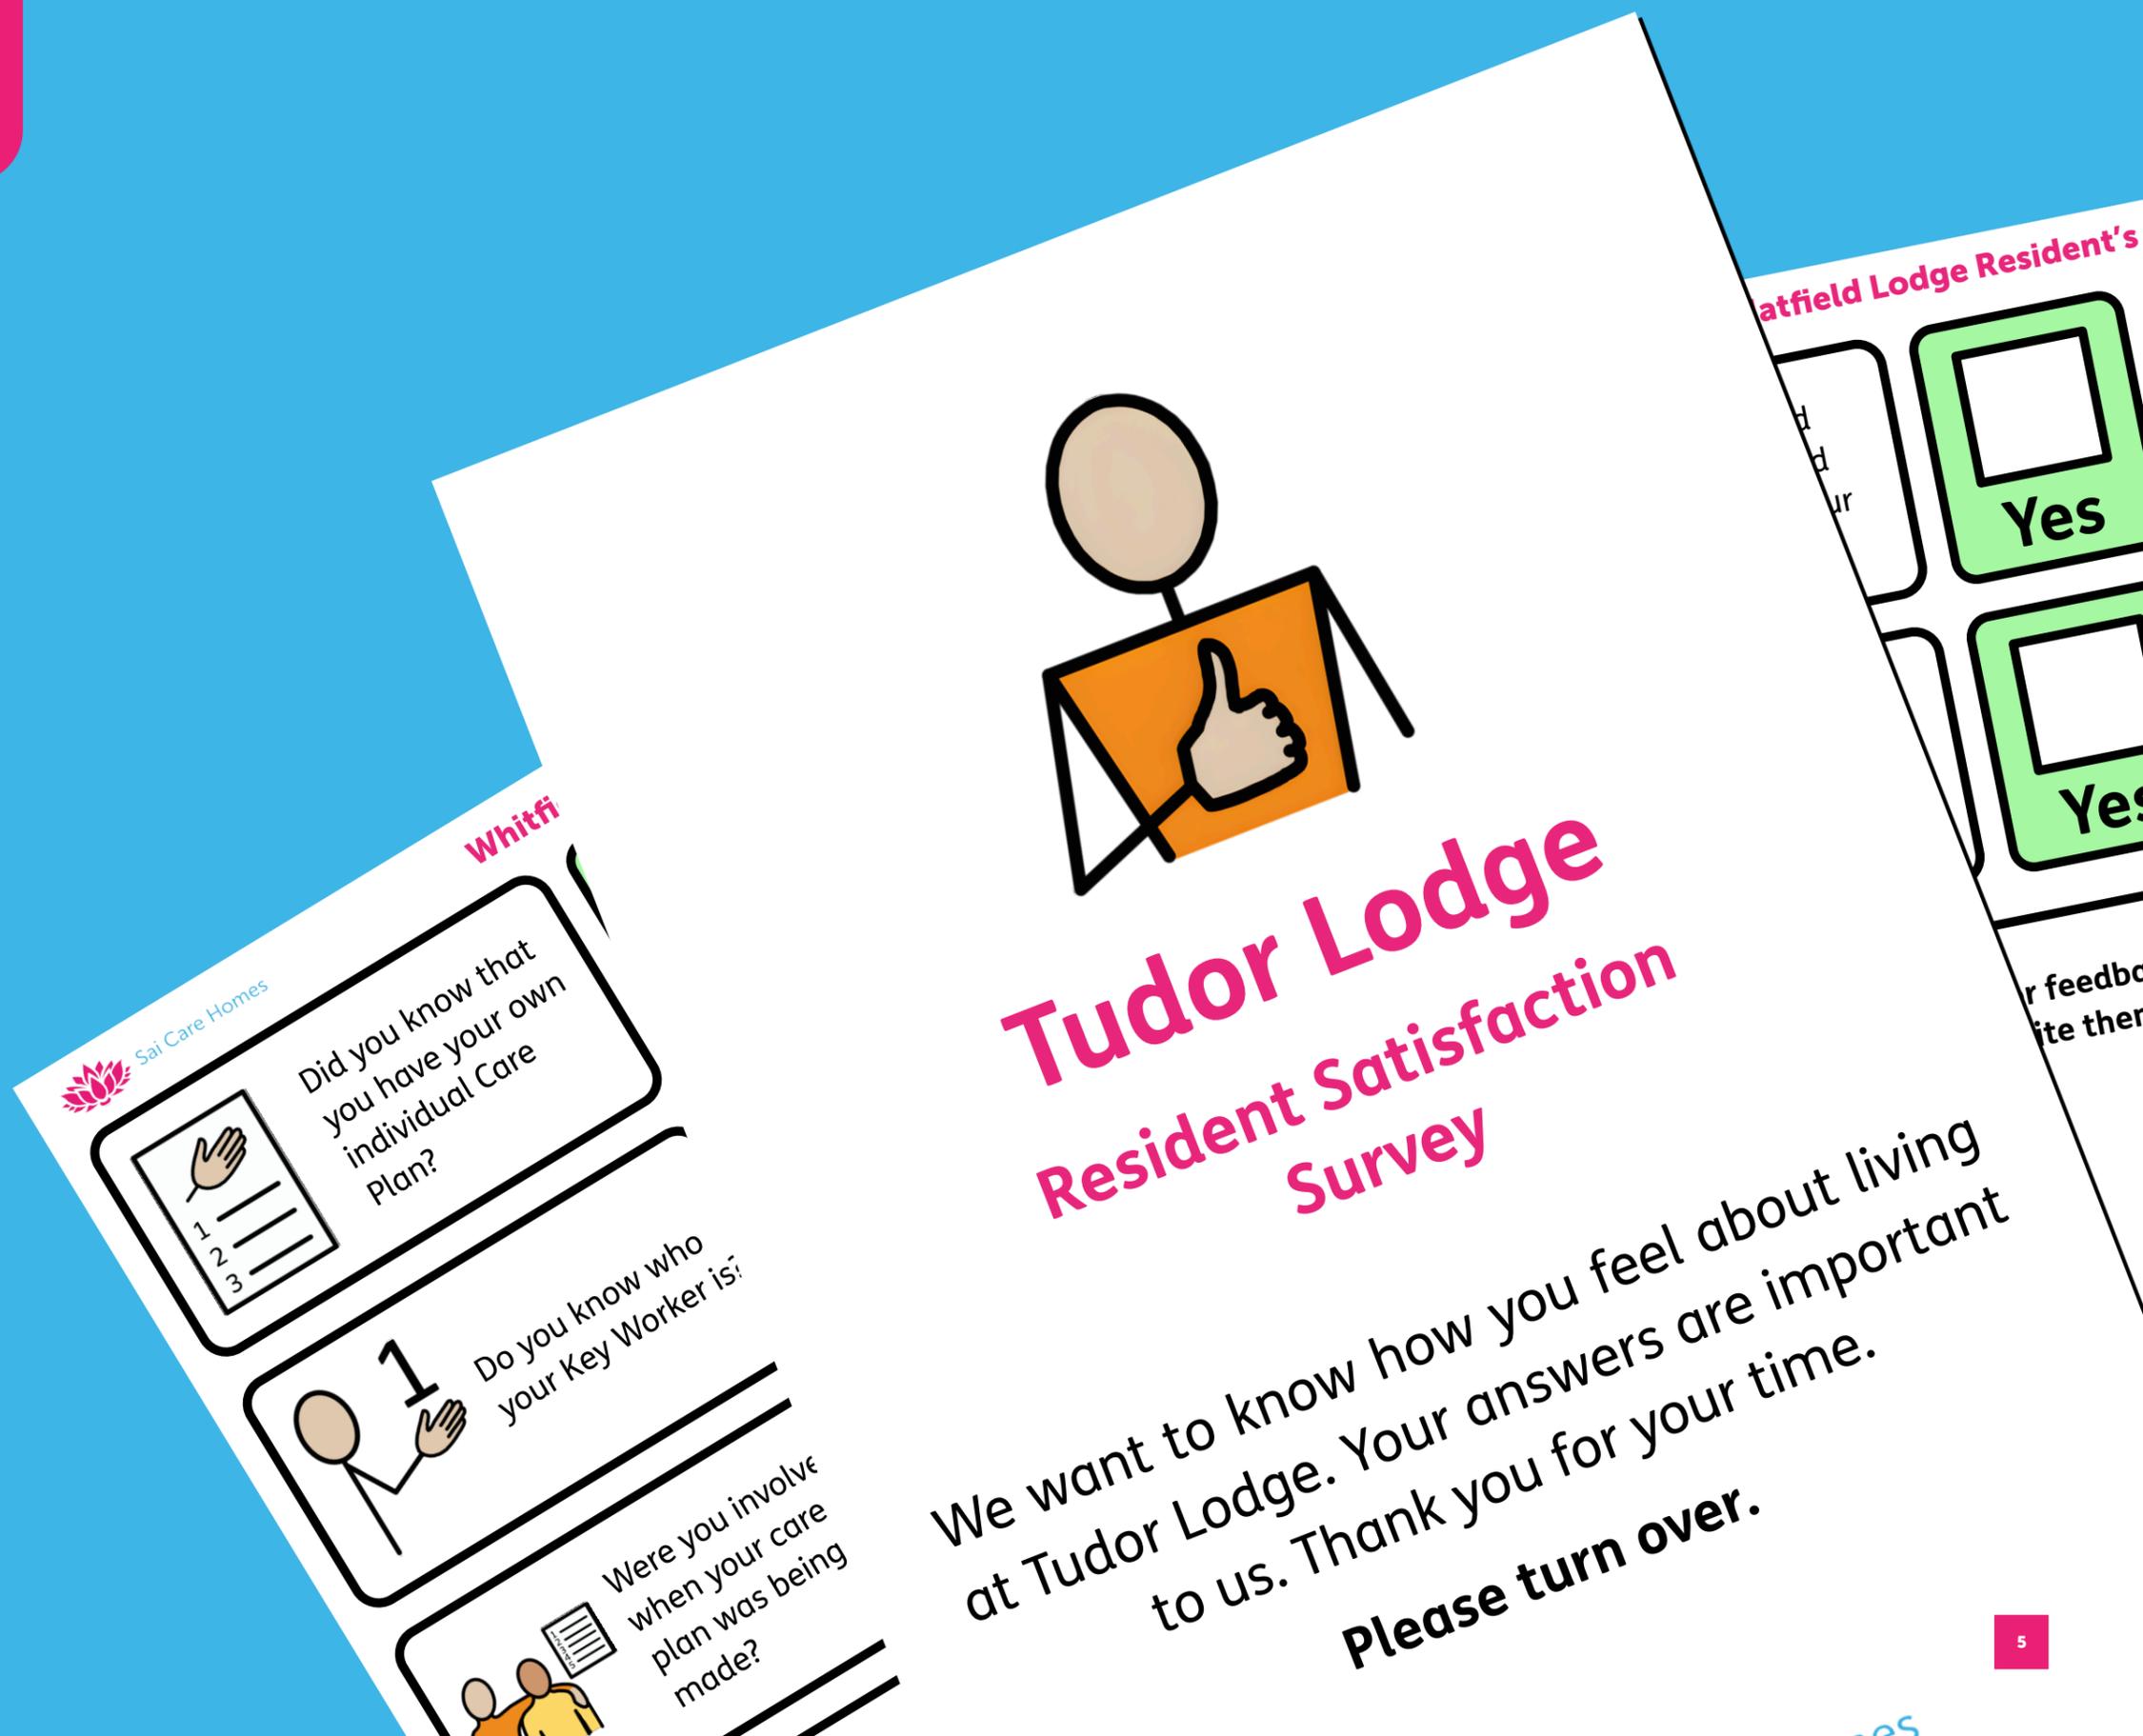

# Resident's Surveys

As part of our mission to create a feedback-driven care home, we're delighted to be rolling out all-new residents' surveys.

These new forms are designed to be straightforward to fill out, have questions crafted by the entire Sai Care Homes team (as well as blank space for personal suggestions), and are completely anonymous - just like our new staff surveys.

Combined with our staff survey & friends and family survey, we're striving to make sure all voices across the Hatfield Lodge family are heard.

# Spectacular Sensory Toys!

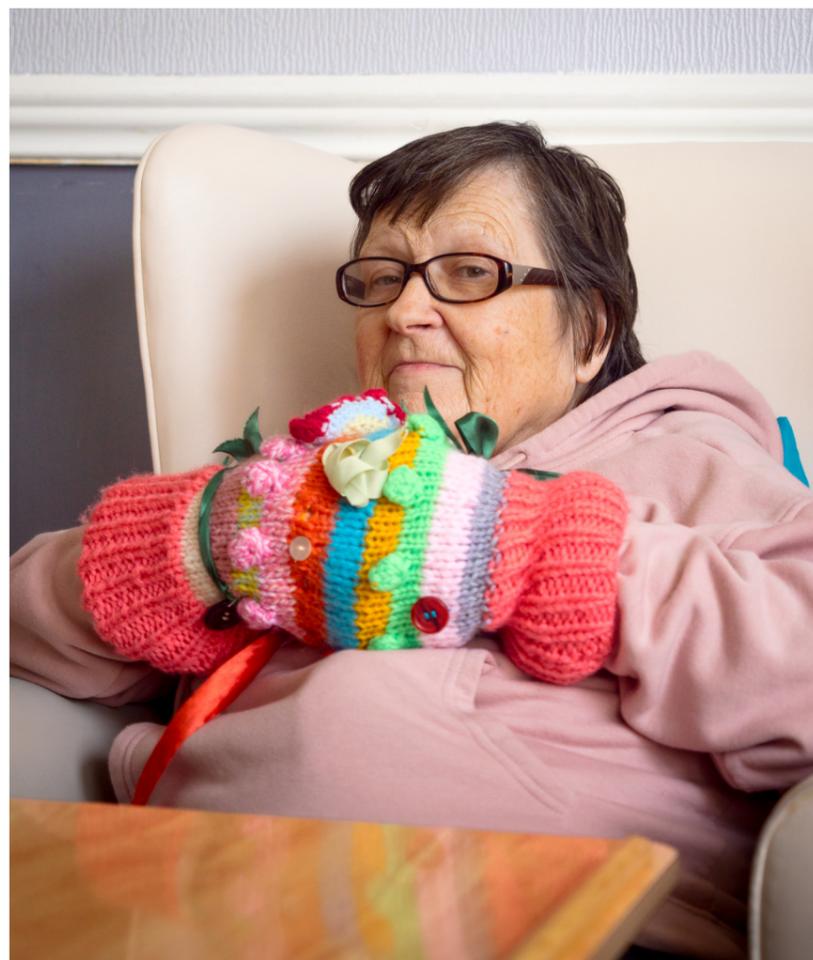

Our residents have been thoroughly enjoying a whole load of new sensory toys & plushies!

The irresistibly cute octopus toys were bought by the team, while the fidget muffs were very kindly donated to us.

On your next visit, we're sure you'll see all sorts of faces enjoying the fluffy offerings - but if not, keep your eyes peeled on our Facebook!

## Choose Sai, Choose Satisfaction

“Staff are wonderful and always happy and pleasant when they greet you at the door. I always feel welcome no matter what the time of day. I find Tudor lodge a very happy place, staff are always on hand to speak to and find they take a real interest in each and every person that resides there.”

# Captivating Cakes!

This month, our residents had a twist on one of their fan-favourite activities - decorating biscuits!

Activities co-ordinator, Seth, swapped out the digestives for some home-made fairy cakes - a treat for all the senses!

The wonderfully decorated cakes went down a treat with all those who sampled!
