Intense Games!

A serious game of Connect 4 was underway at the start of July...

There was plenty of concentration around the lounge as each move was carefully placed - with a few tactical surprises thrown in along the way.

It's safe to say this one got a bit competitive...

Puzzle Corner

One of our residents enjoyed some time with a jigsaw puzzle this week - puzzles are a great way to keep the mind active.

It was lovely to see the colourful scene come together, piece by piece.

Getting a Groove On

An afternoon of singing and dancing!

There's nothing quite like a spontaneous dance party! We had a wonderful afternoon with residents singing along to old favorites and enjoying each other's company in the lounge.

A wonderful way to spend time together in the lounge.

Sky's The Limit!

Sometimes, it's the most simple activities that get our residents going

Everyone got stuck in with preparing the balloons, and it didn't take long for the momentum to build! In no time, the room was soon filled with laughter, friendly encouragement, and some impressive reflexes as everyone worked together to keep the balloons flying.

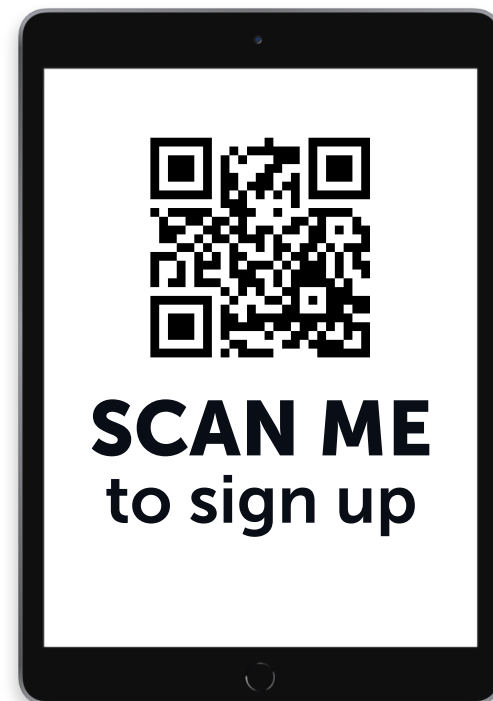

A brilliant, lively way to enjoy some seated exercise together, and guaranteed laughs all-around.

Next-of-Kin Surveys

You may have received emails from head office regarding surveys for next-of-kin and relatives to the home. **If you're not currently receiving these emails, please scan or tap the QR code to sign yourself up.**

We'll never flood your inbox with spam - you'll only receive surveys, other home announcements (like our themed barbecues!), and occasional special offers from around RS Rock Holdings. You can unsubscribe at any time.

We appreciate not everybody enjoys filling out online forms, so we have a paper version of the survey - just ask a member of staff for a copy, and we'll make sure the data reaches our back-office number crunchers.
