A MESSAGE FROM US

Our newsletter has a new look!

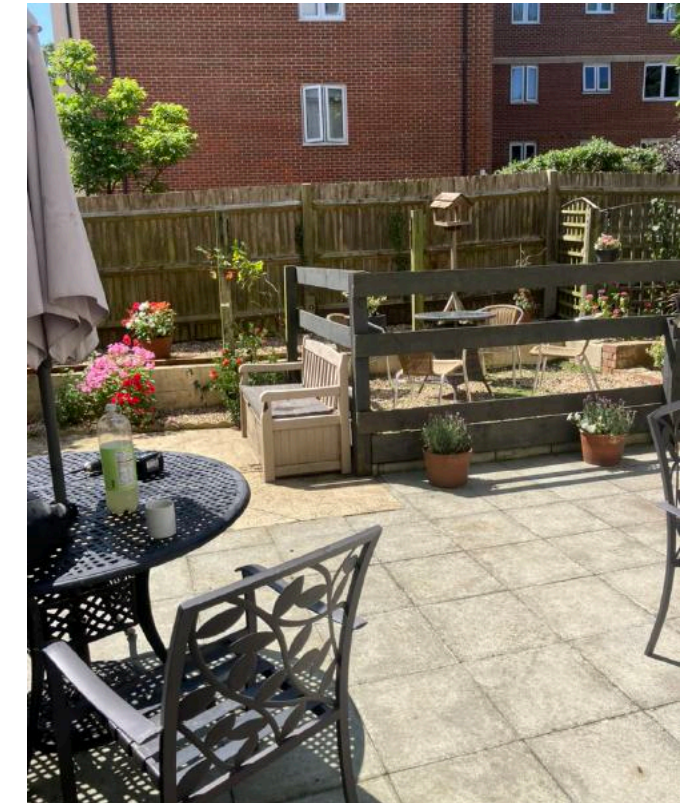

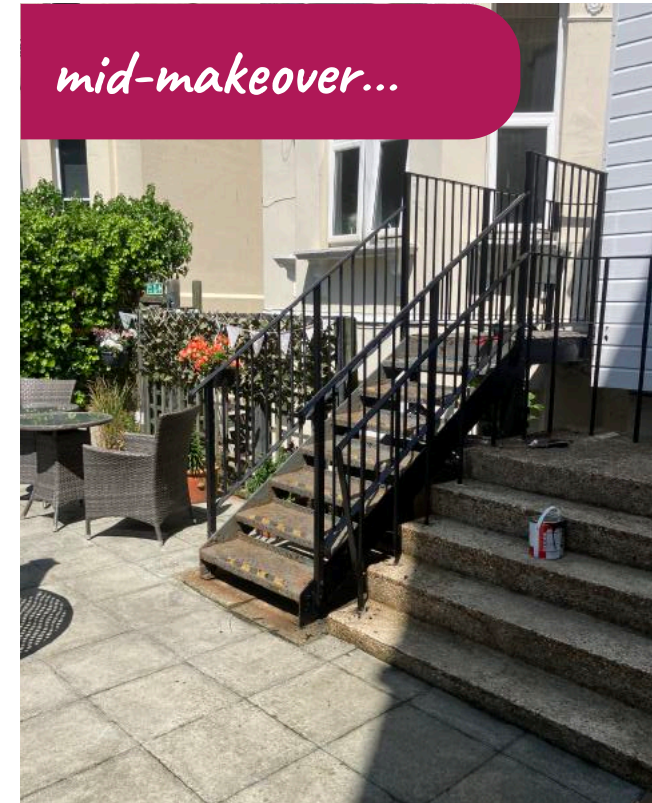

Head Office has been busy giving The Hatfield Express a fresh new look, while also improving readability - as always, your feedback's appreciated!

Hatfield's Garden Overhaul

Big things are blooming at Hatfield Lodge - with the weather getting warmer, it's the perfect time for our outside area to get an exciting makeover!

Upon your next visit, you'll notice plenty of new seating, an abundance of shade and space for the barbecue (subtle foreshadowing)!

A big thank you goes to our maintenance man Simon, who's been in his element grafting away - his hard work's certainly paid off!

We're also incredibly grateful to the Dover Marina Hotel & Spa for their donation of outdoor seating, helping us stay sustainable without slacking on style!

...and after!

A BBQ Bonanza!

What better way to make use of our outdoor space than putting on a barbecue?

On a stunning, 25-ish degree day in June, our residents got to see their newly overhauled garden in the flesh for the first time. Our cook & barbecue pilot, Mark, cooked everyone's burgers and sausages to perfection.

Our residents can't wait for more flame-grilled goodness in their new outdoor space!

Fred's smile could light up half of Kent!

Prabath's serving care and couture!

Our one and only Mark putting every celebrity chef imaginable to shame...

A Festive Throwback

If you needed any evidence that this year's flying by, we're already half-way to Christmas!

Christmas at Hatfield Lodge is by far the most wonderful time of the year - and not just because of the mince pies. It's a time of togetherness for everyone in the Hatfield family - a time for residents, staff and visitors to gather and celebrate.

We thought we'd take a stroll down memory lane and look back at last Christmas - we wonder if Santa will drop by again this year?
