### A MESSAGE FROM US

Our newsletters have a new look!

We've been busy in the office giving our home content a fresh new look, while also improving readability - as always, your feedback's appreciated!

# Garden Gatherings!

If you've seen some of our recent newsletter issues, you'll know just how much our residents love catching some Vitamin D and eating some flame-grilled goodness in our garden - and this month was no different!

If you're following our Facebook page, you might've already seen some of these - if you're not, tap or scan the QR code to stay in the loop with all things Tudor Lodge!

*We're tempted to change Madjid's job title from maintenance man to full-time barbecue operator - here he is cooking up a storm!*

*A wonderful pose and a distant photobomb!*

*The burgers went down a treat!*

*A wide shot to round off the day - thank you to all of the staff for another belter of a barbecue!*

# A Festive Throwback

If you needed any more evidence that this year's flying by, it's less than 6 months until Christmas again!

Christmas at Tudor Lodge is the most precious time of the year - not just because of the mince pies, but because it brings out the real heart in our home: togetherness.

So, while we may still be in the summer sunshine, plans are already bubbling away behind the scenes.

While we're getting ready to make this Christmas one to remember, who remembers last year's festivities? We have a couple of photos to jog your memory!
