Dementia Care Awards

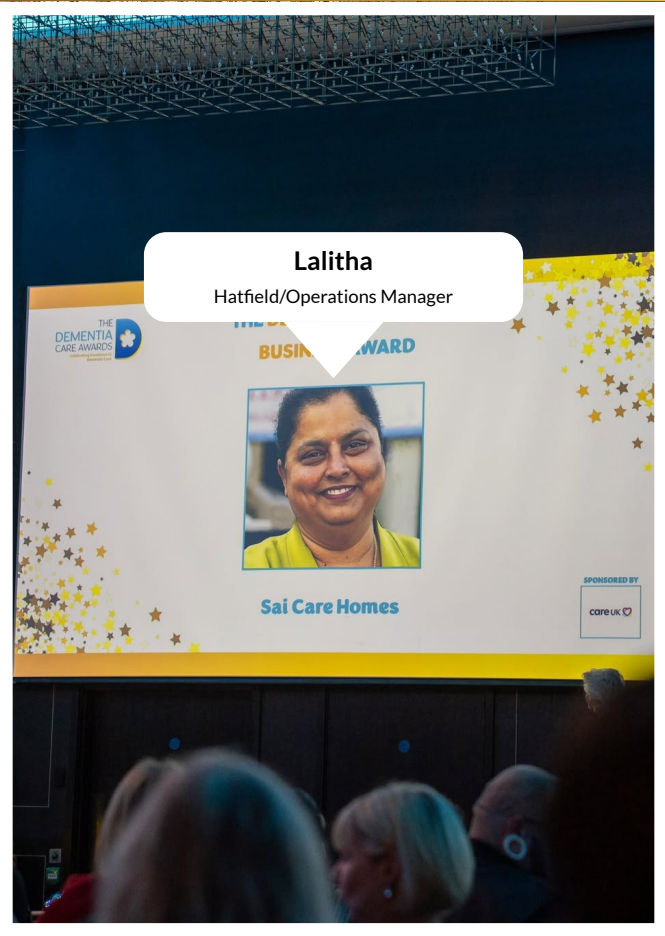

Staff from across Sai Care Homes went gallivanting in 37-degree Central London weather for the Dementia Care Awards!

It was a real privilege to attend such an inspiring event celebrating excellence in dementia care. We're incredibly proud of all the nominees - especially our home manager and Sai operations manager, Lalitha, who's responsible for the Dementia Friendly Business nomination.

While we didn't take home a trophy this time, we're honoured to have received certificates that we'll proudly display across our homes!

Afternoon Tea By the Sea

at  TAPESTRY
COLLECTION
by Hilton™

We've been back at Dover Marina Hotel & Spa for a simply wonderful afternoon tea!

Our residents enjoyed fresh scones, sandwiches and other sweet treats, with plenty of tea to wash everything down - with a wonderful sea view to get lost in!

If you fancy trying out the afternoon tea experience for yourself, the hotel is kindly giving away two vouchers at our Summer Fete raffle!

Dover Marina Hotel & Spa, Tapestry Collection by Hilton is an RS Rock Holdings partner. No financial compensation was received in exchange for publicity.

It's Coming Home!

(maybe)

Football fever is in full swing across our homes, with our lounge lathered in England flags!

As of the publication date of this newsletter, it still might come home - none of us are accredited sports journalists, but Germany and the Netherlands have lost on penalties!

According to Google, we have a 77% chance of winning against DR Congo - but life's full of surprises.

The match is at 5pm, so we'll be tuned in cheering England on!

Fresh Sea Air

June gave us some wild weather - tons of thunder, and of course record-breaking heat.

We've been taking various precautions around the home for both staff and residents, including promoting hydration, blasting fans wherever possible, and overall taking a slower pace.

On some of the cooler days, it's lovely to be able to head out for some fresh air and take in the coastal views - the perks of having The Leas on our doorstep!

Arranging Summery Colours

As part of some of our slower-paced, relaxing activities this month, some of our service users have been busy doing some flower arranging.

Residents spent time creating their own beautiful displays,

carefully selecting and arranging fresh blooms to brighten up the room.

If you couldn't tell from the grin, we think it's worked!

Return of the Cavies

We welcomed the guinea pigs from Cuddly Cavies back into our home this month - the residents thoroughly enjoyed catching up with them and getting their regular dose of squeaks.

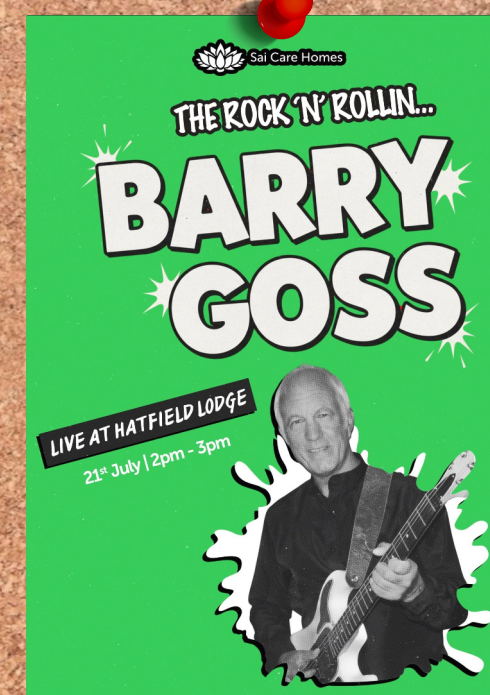

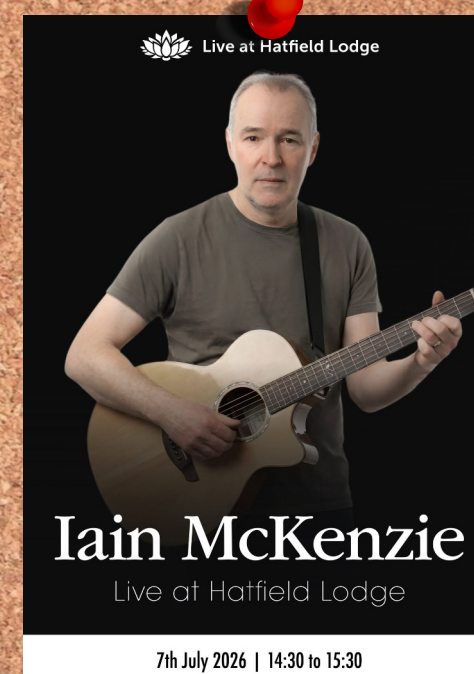

It's always a delight having animal visitors in our home!

LIVE AT HATFIELD LODGE

July 2026

Alongside our days out, we're delighted to welcome our regular outside entertainers back into the home.
