A MESSAGE FROM US

We have another jam-packed, summery newsletter for you, full of highlights from around Tudor Lodge - and beyond!

Community Causes

Two of our wonderful residents recently volunteered with Feed The Hungry UK at South Kent Community Church, helping to pack an incredible 10,000 rice meals for children in need.

A fantastic effort and a truly inspiring way to give back to the community - we are so proud!

Special Visitors

We welcomed the guinea pigs from Cuddly Cavies into our home this month - the residents thoroughly enjoyed catching up with them and getting their regular dose of squeaks.

It's always a delight having animal visitors in our home!

Dementia Care Awards

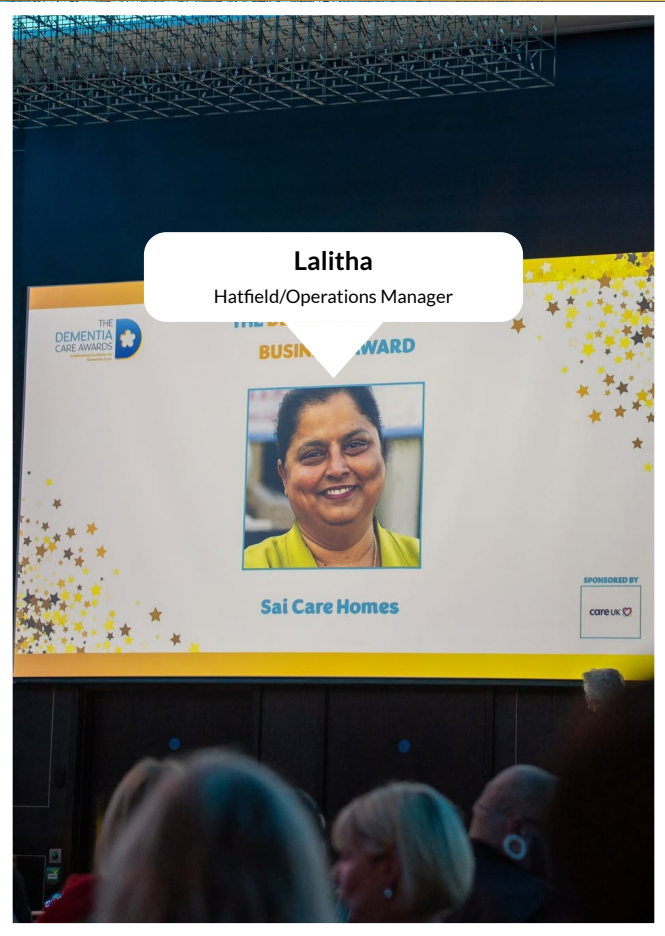

Staff from across Sai Care Homes went gallivanting in 37-degree Central London weather for the Dementia Care Awards!

It was a real privilege to attend such an inspiring event celebrating excellence in dementia care. We're incredibly proud of all the nominees - especially our operations manager, Lalitha, who's responsible for the Dementia Friendly Business nomination.

While we didn't take home a trophy this time, we're honoured to have received certificates that we'll proudly display across our homes!

KENT CARE

AWARDS 2026

Speaking of awards... two of our Team Tudor stars are finalists at this year's KICA Kent Care Awards!

Jojo, our Cook, has been nominated for the Care Nutrition award, and Tracy O has been nominated for the Dementia Champion award.

We're incredibly proud of our nominees, and are eagerly looking forward to the September 11th gala evening!

Fresh Trims!

The team at Elderly HairCare have given some of our ladies a spruce-up for the summer - everyone's sporting such wonderful styles!

It's Coming Home! (maybe)

Football fever is in full swing across our homes, with our dining room lathered in England flags!

As of the publication date of this newsletter, it still might come home - none of us are accredited sports journalists, but Germany and the Netherlands have lost on penalties!

According to Google, we have a 77% chance of winning against DR Congo - but life's full of surprises.

The match is at 5pm, so we'll be tuned in cheering England on!
