Dementia Care Awards

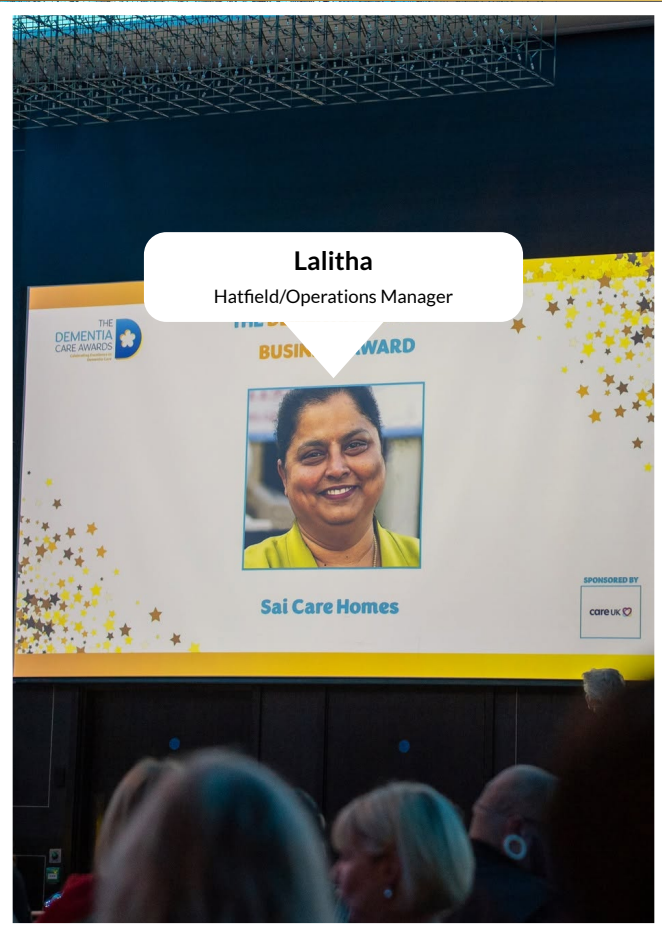

Three of our staff (and Crede from head office) went gallivanting in 37-degree Central London weather for the Dementia Care Awards!

It was a real privilege to attend such an inspiring event celebrating excellence in dementia care. We were incredibly proud to have Imam and Taz from Whitfield Care Home nominated, alongside Sai Care Homes being recognised in the Dementia Friendly Business Award category.

While we didn't take home a trophy this time, we're honoured to have received certificates that we'll proudly display in the home!

KENT CARE

AWARDS 2026

Speaking of awards... Jas is a finalist at this year's KICA Kent Care Awards!

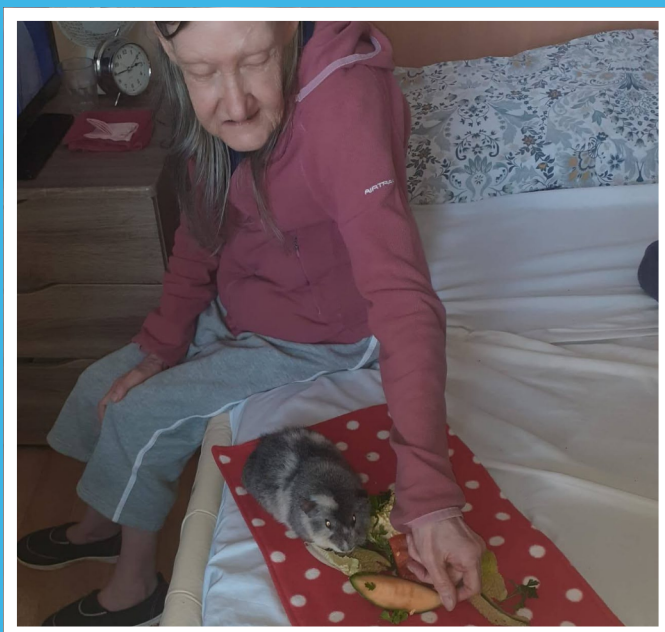

We're incredibly proud of Jas, as well as the other nominees from across Sai Care Homes, and are eagerly looking forward to the September 11th gala evening!

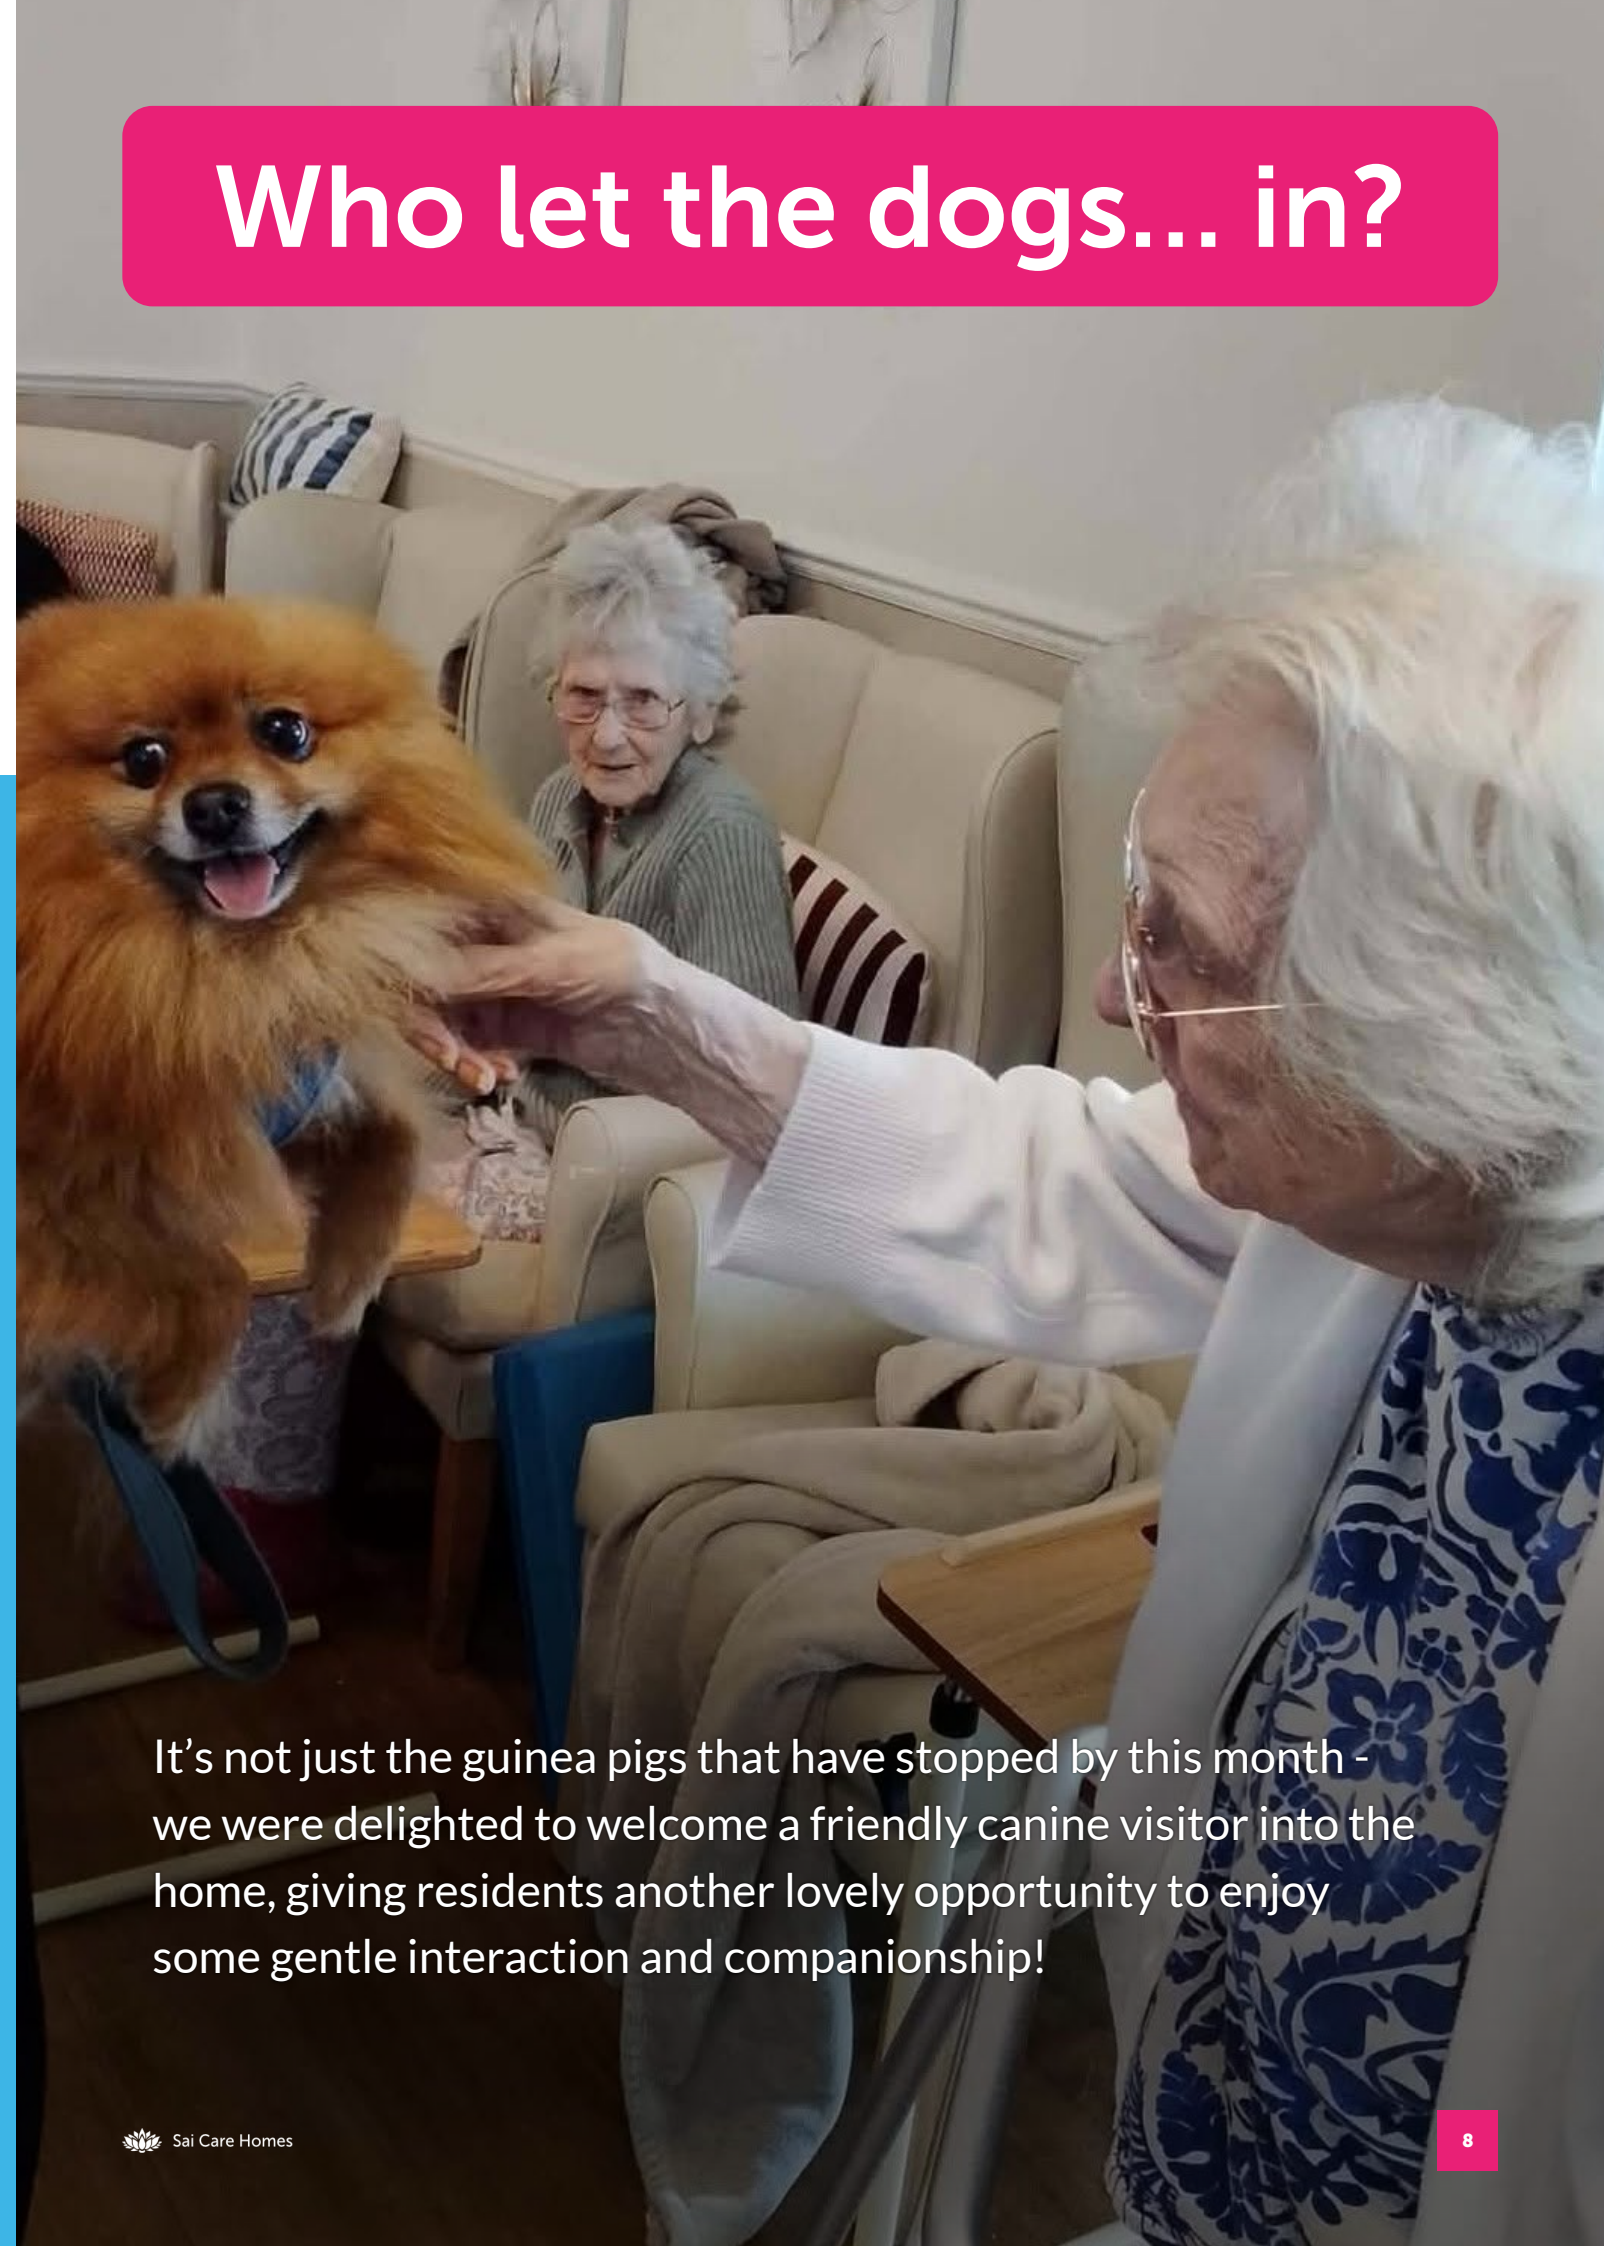

Special Visitors

We welcomed the guinea pigs from Cuddly Cavies back into our home this month - the residents thoroughly enjoyed catching up with them and getting their regular dose of squeaks.

It's always a delight having animal visitors in our home!

Who let the dogs... in?

It's not just the guinea pigs that have stopped by this month - we were delighted to welcome a friendly canine visitor into the home, giving residents another lovely opportunity to enjoy some gentle interaction and companionship!

It's Coming Home!

(maybe)

We've always been renowned for our seasonal decorations - just look at our custom-made England flag from the 2024 Euros...

As of the publication date of this newsletter, it still might come home - none of us are accredited sports journalists, but Germany and the Netherlands have lost on penalties!

According to Google, we have a 77% chance of winning against DR Congo - but life's full of surprises.

The match is at 5pm, so we'll be tuned in cheering England on!
