Street Party Success

Our Street Party celebrations were in full swing this month! Although the party took place indoors, the lounge was transformed with England flag bunting, setting the scene for a proper street party atmosphere. We were delighted to be joined by residents and staff from Tudor Lodge, coming together to enjoy a fantastic spread of party food, music and plenty of dancing along the way.

It was such a wonderful opportunity to celebrate together, share the occasion and create special memories across both homes!

We had a fantastic day out at Wingham Wildlife Park!

Team Hatfield were accompanied by residents and staff from Tudor Lodge Care Home for a wonderful day out, filled with fresh air, fascinating animals and plenty of shared moments along the way. It was so lovely to see everyone enjoying the experience together!

A huge thank you to all of our staff who helped make the day run so smoothly - your care, support and dedication made it such a magical day for everyone involved. We can't wait to embark on more wildlife-fuelled adventures!

Grooving with Barry Goss

We had a brilliant musical afternoon at Hatfield Lodge as Barry Goss joined us for a live performance. Residents were invited to join in using a variety of percussion instruments, adding their own rhythm to the music and taking part in a fun, interactive session. It was lovely to see everyone getting involved in their own way!

Live music like this always brings people together, filling the room with sound, movement and shared moments. A big thank you to Barry for a fantastic performance - it was thoroughly enjoyed by all!

2026's First BBQ!

The first barbecue of the year has officially happened - a truly momentous occasion!

There's something extra special about that first BBQ in the sunshine, bringing residents and staff together to enjoy some flame-grilled grub (courtesy of our Mark the chef!), fresh air and relaxed conversation.

It's always such a lovely occasion and a real highlight as we welcome the warmer months ahead.

Here's to many more sunny moments shared together!

Exciting Nominations!

Sai Care Homes has been nominated for **THREE** awards at this year's Dementia Care Awards!

The organisation itself has been nominated for the **Dementia Friendly Business** award, which recognises businesses that have developed and implemented incentives that support individuals living with dementia who use their services. Operations Manager and Hatfield Lodge Manager, Lalitha Kumar, will be representing Sai Care Homes for this award!

Additionally, two members of staff from our sister home in Whitfield have been nominated for individual awards - Imam Salish has been

nominated for the Dementia Care Home Worker award, while Taz Nicholson has been nominated for the Dementia Frontline Leader award - we're all immensely proud of the both of them!

Home Manager, Lalitha Kumar, is representing Sai Care Homes for the Dementia Friendly Business award.

Bake Off who?

Sorry, Paul Hollywood - there's some new top-tier bakers in town!

Our cupcake baking session was a great success - Residents were assigned different roles throughout the process, from whisking to icing, and that team spirit resulted in a delicious final product.

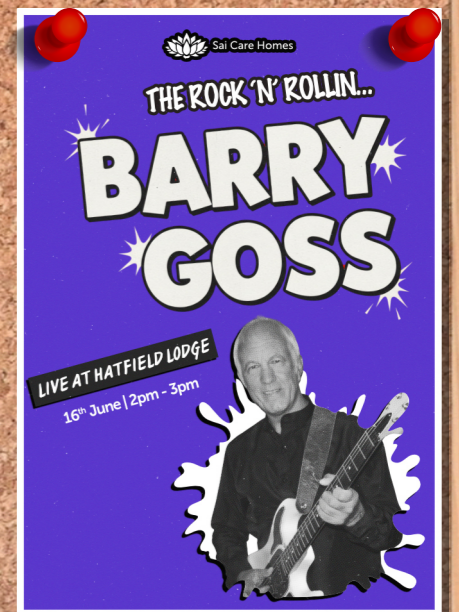

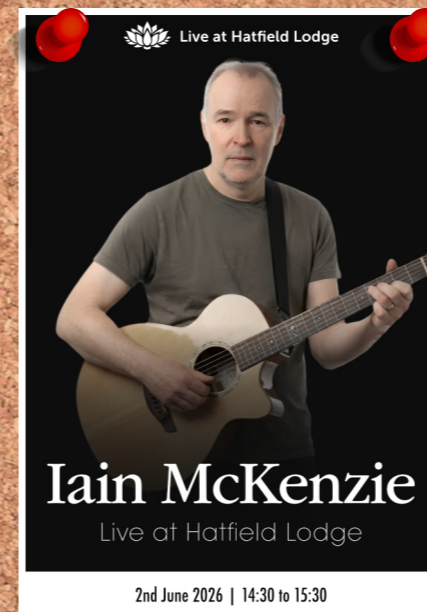

A great exercise in teamwork!

LIVE AT HATFIELD LODGE

June 2026

We've got some Live at Hatfield legends in our home next month - but we've also got some extra-special events lined up to celebrate the lovely weather!
