A MESSAGE FROM US

The weather might have calmed down a bit at the time of publishing this edition, but May has certainly been a month for embracing the great outdoors!

We had a fantastic day out at Wingham Wildlife Park!

Team Tudor were accompanied by residents and staff from Hatfield Lodge, our sister home, for a wonderful day out, filled with fresh air, fascinating animals and plenty of shared moments along the way. It was so lovely to see everyone enjoying the experience together!

A huge thank you to all of our staff who helped make the day run so smoothly - your care, support and dedication made it such a magical day for everyone involved. We can't wait to embark on more wildlife-fuelled adventures!

Street Party Success

We were delighted to visit Hatfield Lodge to join in with their Street Party! Although the party took place indoors, the lounge was beautifully transformed with England flag bunting, creating a wonderful street party atmosphere for everyone to enjoy. Together, we tucked into a fantastic spread of party food, enjoyed great music, and even had a dance or two along the way!

It was such a lovely opportunity to come together, share the celebrations, and create special memories across both homes.

Exciting Nominations!

Sai Care Homes has been nominated for **THREE** awards at this year's Dementia Care Awards!

The organisation itself has been nominated for the **Dementia Friendly Business** award, which recognises businesses that have developed and implemented incentives that support individuals living with dementia who use their services. Operations Manager and Hatfield Lodge Manager, Lalitha Kumar, will be representing Sai Care Homes for this award!

Additionally, two members of staff from our sister home in Whitfield have been nominated for individual awards - Imam Salish has been

nominated for the Dementia Care Home Worker award, while Taz Nicholson has been nominated for the Dementia Frontline Leader award - we're all immensely proud of the both of them!

Lalitha Kumar, seen here outside our home, is representing Sai Care Homes for the Dementia Friendly Business award.

Bit stuffy, eh?

We had our first big heatwave over the late bank holiday weekend - and well into the week. Residents enjoyed some relaxing time out in the garden, with plenty of shade, cool drinks, and comfortable seating to keep everyone safe and comfortable in the warmer weather. We also bought some more fans to dot around the home.

Nobody at Sai Care Homes is a qualified meteorologist, but all the forecasts claim we'll be facing a Super El Niño this year - whatever happens, we'll be sure to do everything in our control to ensure residents and staff alike are as comfortable as possible.
