## A MESSAGE FROM US

It's only a few more blinks until Christmas... in the meantime, our residents have been getting up to all sorts, from boxing matches to hosting singers!

# FIGHT NIGHT

## At Hatfield Lodge

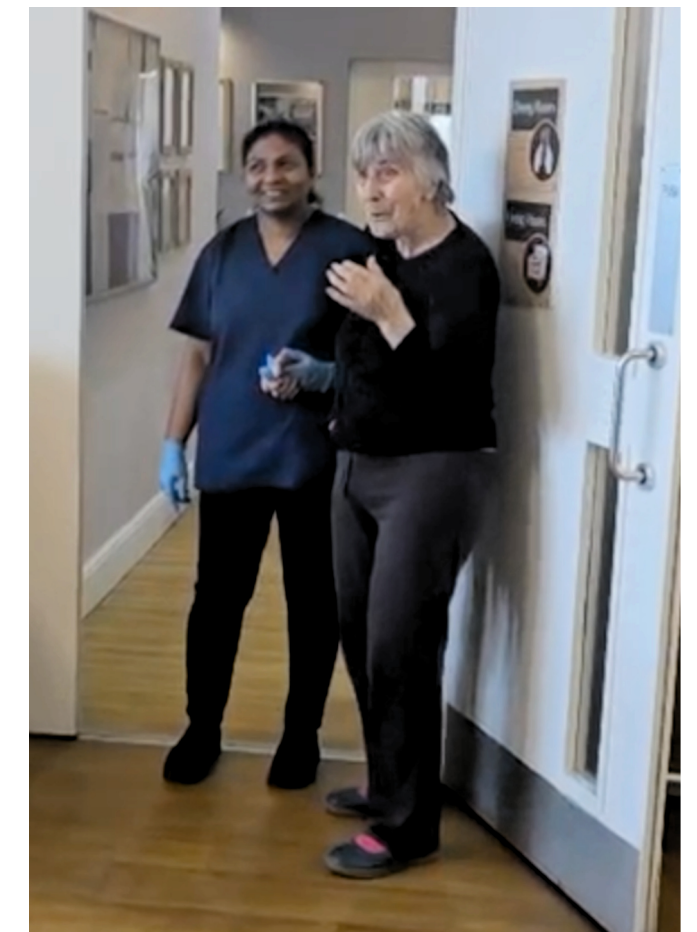

No residents of Hatfield Lodge, nor any professional boxers, were harmed during the creation of this article.

We're fortunate to have such a varied range of interests amongst our residents and staff here at Hatfield. Take care assistant, Prabath, as an example - an Old Nalandian boxer from Sri Lanka, who's been in the sport for over 25 years, has represented his home country in the ring around the world, and has

helped establish boxing clubs such as the Nalanda Boxing Club. On top of all this, he's a dedicated, kind-hearted carer!

So, when resident Tom found out about Prabath's boxing career, he just had to challenge him... scan the QR code above to watch their match!

## Victoria Bass Visits

Our lounge was filled with joy as the wonderful Victoria Bass performed for our residents!

Her beautiful voice and medley of classic favourites had some of us singing and clapping along, while some of us chose to just take in the tunes!

It was such a special afternoon full of music, memories, and smiles - we can't wait to invite you back into our home!

# Decking The Halls!

Ho, ho, HOW is it nearly December already?

Despite the fact this year's absolutely flying by, we've never been more ready to put up our Christmas decorations - especially when management heard over the grapevine that there will be fierce competition from the other homes this year.

We're not done lathering the home with fairy lights, tinsel & other festivities - keep an eye on our Facebook to see more!

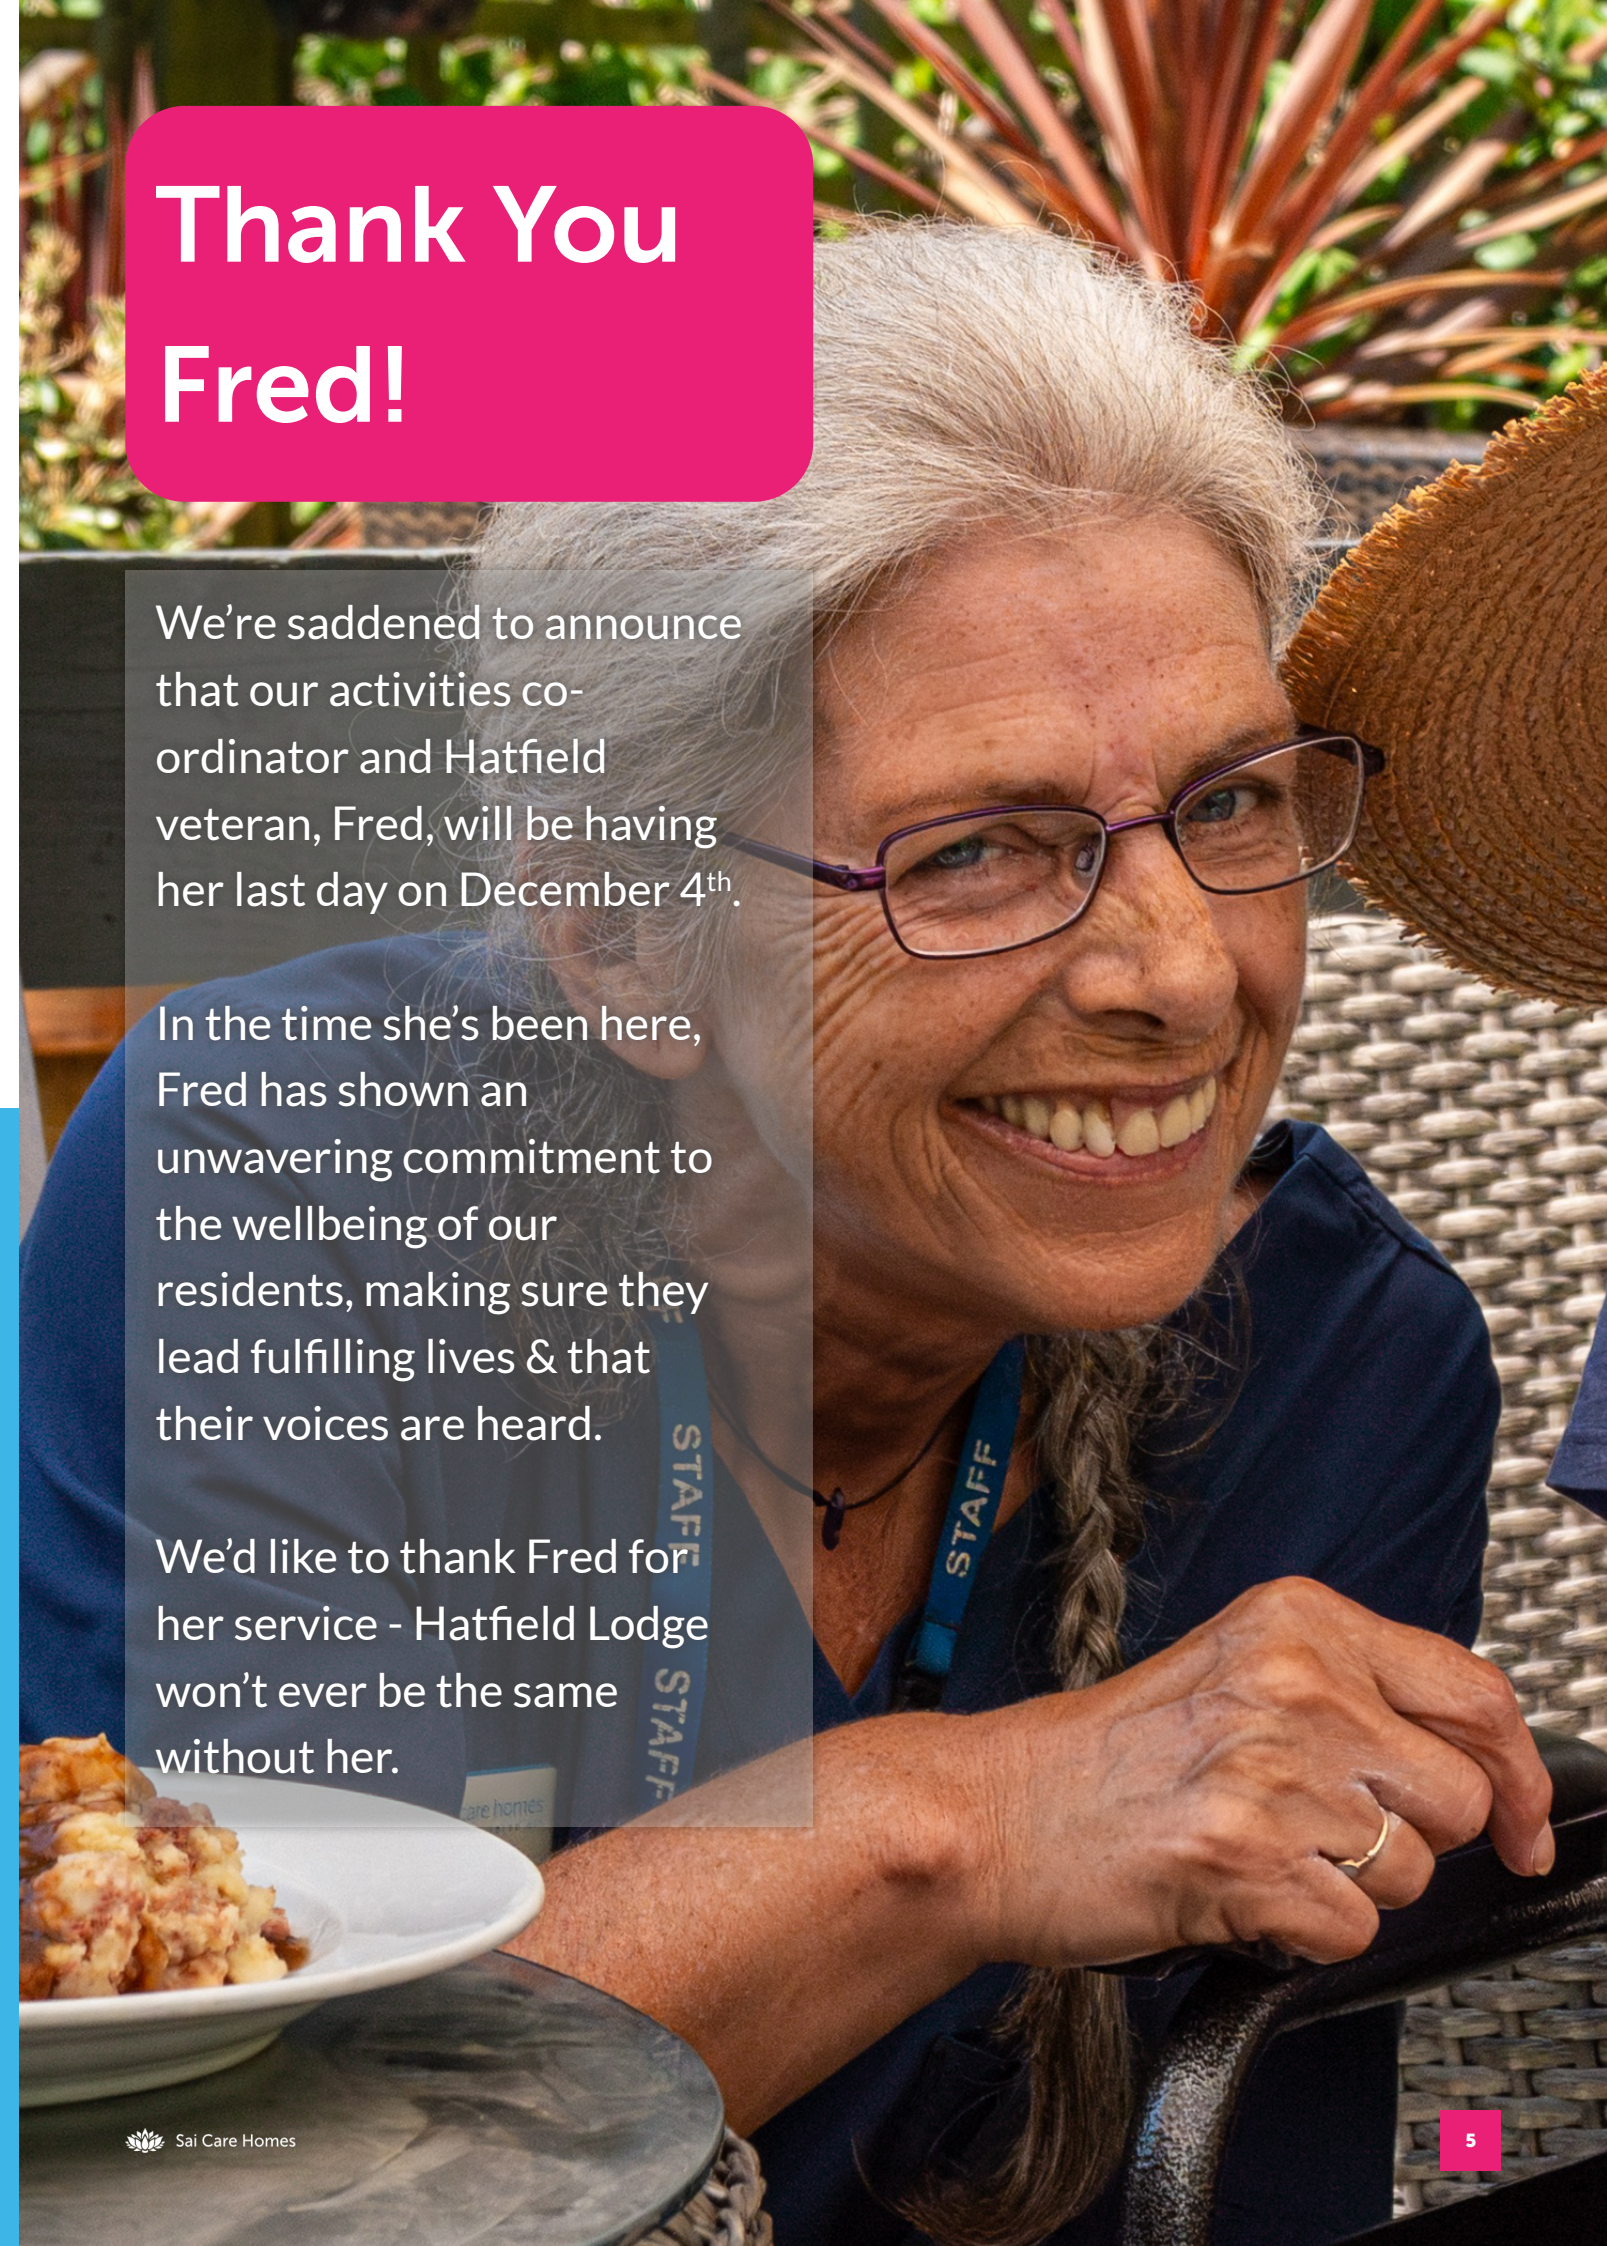

## Thank You Fred!

We're saddened to announce that our activities co-ordinator and Hatfield veteran, Fred, will be having her last day on December 4<sup>th</sup>.

In the time she's been here, Fred has shown an unwavering commitment to the wellbeing of our residents, making sure they lead fulfilling lives & that their voices are heard.

We'd like to thank Fred for her service - Hatfield Lodge won't ever be the same without her.

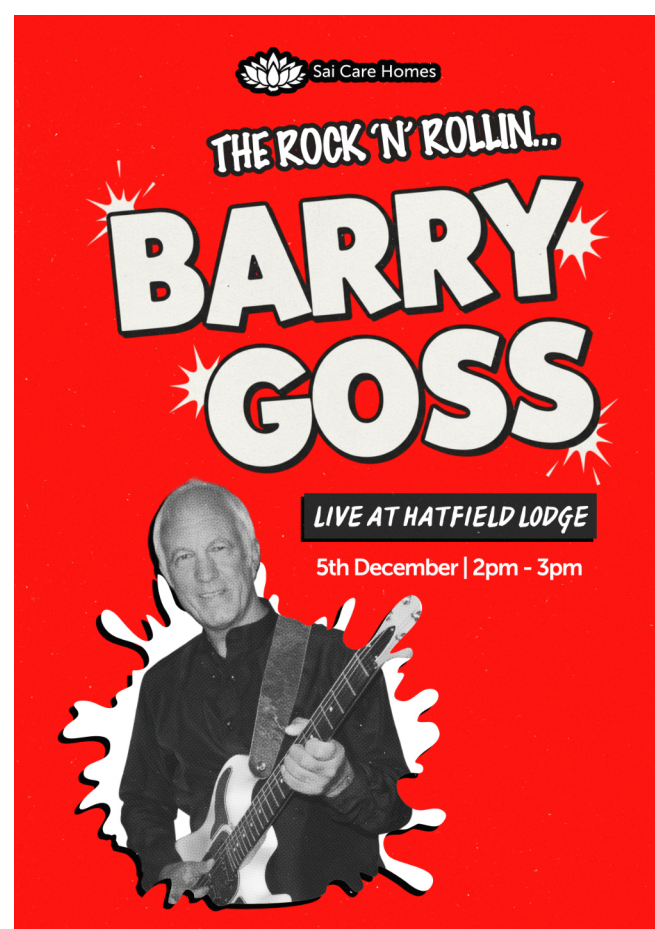

# Dates for your Diary

As part of our activities programme overhaul, we're delighted to announce just some of what's going on in December!

From cult classics like Barry Goss to our big Christmas bonanza on the 23<sup>rd</sup> (we've heard on the grapevine a Mr. Claus should be turning up), there's something for everyone!

As always, friends and family are welcome to attend all of these events, completely free of charge.
