### A MESSAGE FROM US

Hasn't it gotten chilly over the past month or so?

Either way, a cold breeze never dulls our flame at Tudor Lodge, and we've been busy preparing the home for the festive season - take a look inside to see more!

### IN THIS ISSUE:

- Festive Decor
- Signage Galore
- Team Efforts

*...and so much more!*

# How Very Ex-sign-ting!

On your next visit, keep an eye out for our new signs!

These easy-read, directional signs are designed to help Tudor Lodge's residents navigate and find facilities around the home independently, and are optimised for maximum readability.

Additionally, all three floors of the home now have unique names - the Sky, Cliff and Aqua floors.

Tudor Lodge is the first of all the Sai Care Homes to receive this signage - and we hope our sister homes follow suit soon!

# Decking The Halls!

Ho, ho, HOW is it nearly December already?

Despite the fact this year's absolutely flying by, we've never been more ready to put up our Christmas decorations - especially when John, home manager, heard over the grapevine that there will be fierce competition from the other homes this year.

On your next visit, make sure to say hi to the eight-foot-tall gingerbread man in our garden!

*No camera can put into perspective just how massive this fella is!*

# Extra Helpers!

It's not just the staff that have been busy giving Tudor Lodge a festive overhaul - our residents have been getting stuck in too!

From advising on where things should go to sticking up snowflakes & other art on the windows for the street to see, the residents have been leading the way!
