A MESSAGE FROM US

As the autumn chill settles in, our residents cosy up indoors, taking nostalgic trips through classic films, savouring homemade sweet treats, and so much more - leaving our care home with a gentle seasonal glow.

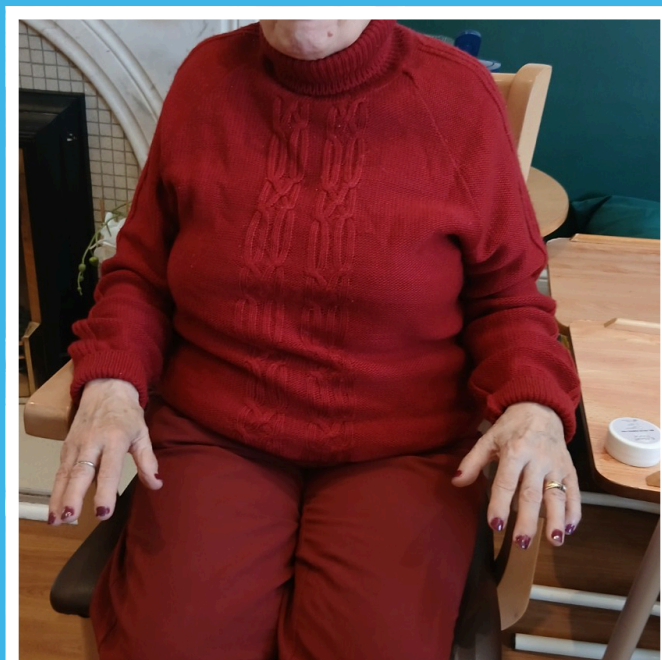

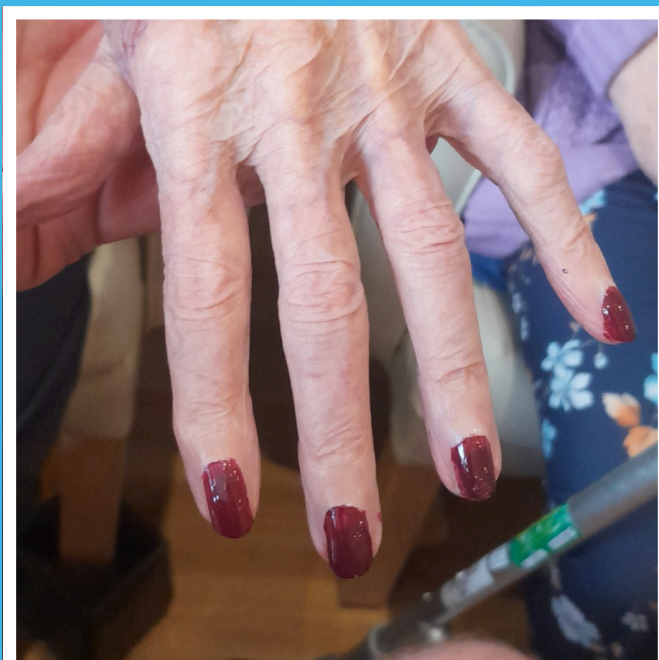

IN THIS ISSUE:

- Pampering
- Sweet Treats
- Classic Flicks

...and so much more!

A Little Pampering

There's nothing some of our residents like more than a little pampering & glamming up - and some of our service users have opted to have their nails done!

A little bit of nail polish goes a long way!

Cinema Afternoon

As autumn arrives, Tudor Lodge residents are adopting more of a cosy routine - including gathering for cinema afternoons, enjoying classic films!

These afternoons are a weekly highlight, offering the magic of beloved films and shared laughter and companionship indoors.

The Great Tudor Bake-Off!

Our residents gave Mary Berry a run for her money in our lounge, whipping up some delightful fluffy cupcakes with activities co-ordinator, Seth.

They had a delightful time, eagerly stirring up the cake mix and sharing smiles as they carefully distributed the mixture into the tins. The excitement only grew as the sweet aroma filled the air, and the highlight of the day was, of course, devouring the delicious final product together!
